Joel yes this version is the one going to City Council. Once introduced, it should be assigned a Council File number for tracking but I'll see if I can get you a signed "stamped" copy as well. Gerald

Good morning, Gerald.

I see where the change that Ken wanted is part of the enclosed Motion. Should I assume that this is the one which CM Cedillo will take to City Council?

Thank you,

Joel

Joel,

Ken is okay with the Motion with one minor edit: change "survey's intent" to "the City Council's intent" since the survey did include the commercial corridors, but the ultimate intent by Planning and the Council was later to exclude these parcels. Attached is updated Motion. So we can aim to introduce Friday and refer to PLUM Committee. I'll need to brief the Council Member and if introduced, I can send final official signed copy.

Gerald,

Please see the enclosed. I didn't change any of the wording, but I think the motion reads better by shifting paragraphs around. I consider this a non-substantive change. If the change means having to go back to the CLA, just ignore my suggestion. Saving time is more important.

Thank you,

Joel
